SIR,

Letter No.Mus.1.C.634/32-33 dated [illegible] from the Deputy Commissioner, Shimoga District, to the Mysore Commissioner in Mysore.

I have the honor to state that the Sri Sadasivapur Agrahara, Tirthahalli Taluk, is endowed among others with the marginally noted inam lands in Hirekalmane village of the same taluk. The proprietor was however alienated one half of S.Nos. 31 and 32 to Venkanna Gowda and the other half to Rama Somayaji in lieu of the Mulya Mokasa but the same has been rejected. The lands are in the possession of the tenants. The temple is now in the control of Krishna Rau, nephew of the previous Vanivadar. The Special Amildar investigated into the case of the unauthorised alienation of the inam lands and reported that the lands are deteriorating for want of attention on the part of the tenants, that the tenants are not giving the legitimate income for the garden land, that they are agreeable to restore the lands to the institution and that therefore the inam lands might be restored to the temple and leased out in public auction. He suggested also that the income would increase if the garden land be leased out for a period of not less than 30 years. The Sub Division officer thereupon directed that the lands be resumed and restored to the temple. The sale held in public auction proved abortive. Vasappa presented a tender offering to pay Rs.140/- per annum if the S.Nos. be leased out to him for a period of 25 years from 1933-34 and also agreed to pay the kandayam on these lands for 32-33. In the sale subsequently held by the Amildar himself on 11-7-32 nobody offered a higher rent than what tendered by Vasappa. The Amildar therefore reported that as the S.Nos. are situated in the midst of a jungle and there are no dwelling houses near by, there were difficulties in cultivating the lands which had deteriorated and that therefore the lease might be sanctioned in the name of Vasappa. The Sub Division Officer agreeing with him has submitted the records for recommending the sale to be confirmed. He has also reported that the petition of the Vanivadar Krishna Rau that he can secure better terms if he is allowed to lease out the lands cannot be believed as he would have had at the sale himself if he were sure of getting better offers.
